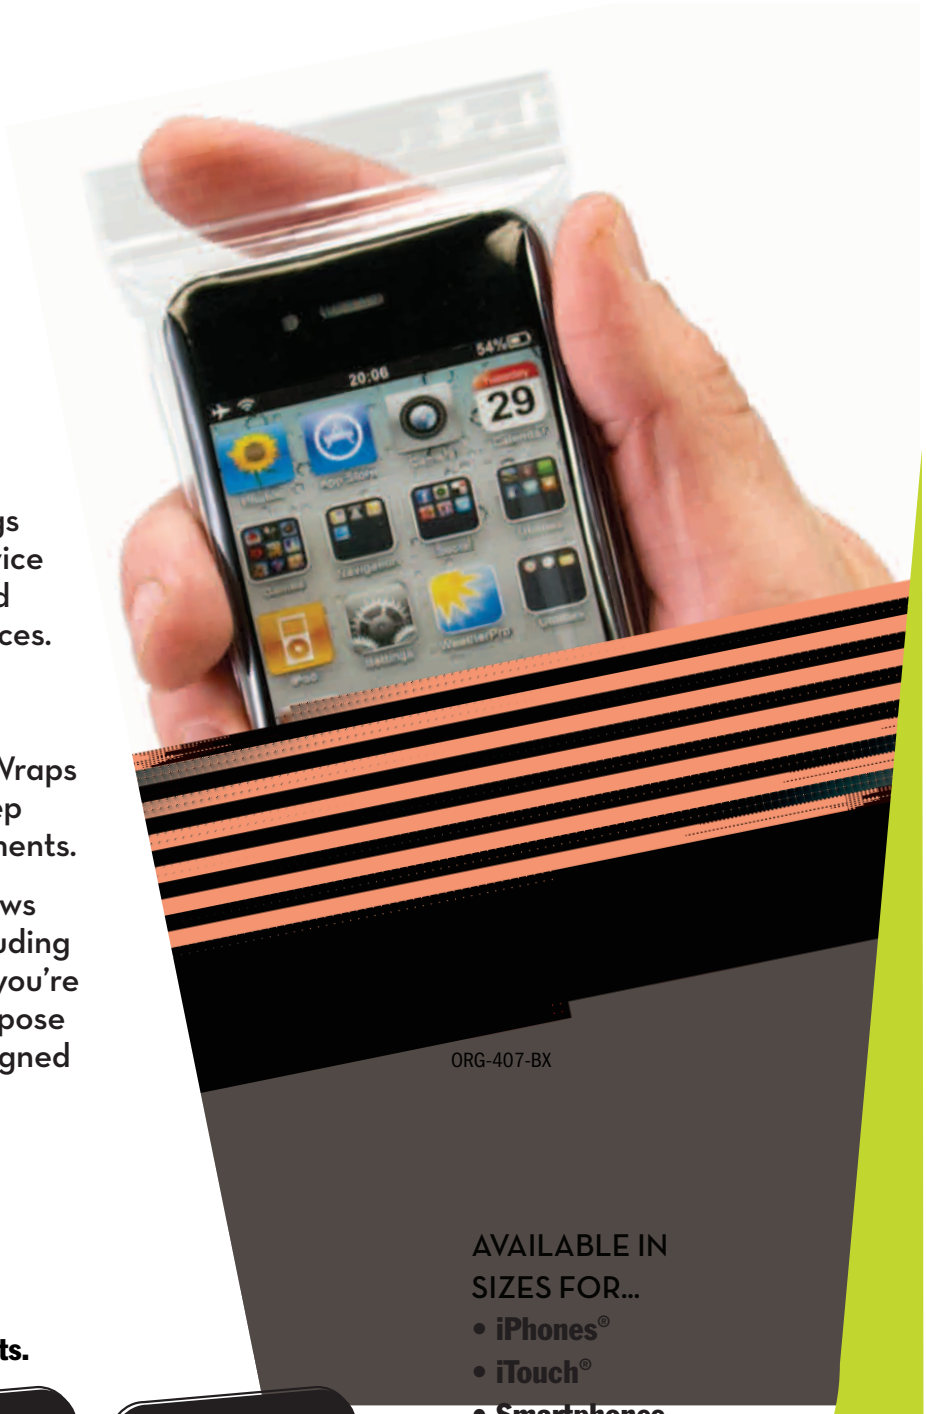
MOBILE LIFESTYLE **SERIES**

SmartWraps™

THE ULTIMATE **UNIVERSAL** ACCESSORY



SmartWraps are clear, fitted zip bags designed to protect your mobile device from sand, dust, moisture, germs and other potentially damaging substances.

The perfect solution for a day at the beach, the pool, in the kitchen or projects around the house — SmartWraps are the safe and sanitary way to keep your device protected from the elements.

SmartWraps protective film still allows full functionality to your device, including phone calls, texting or email. When you're done using it, simply remove and dispose or recycle. SmartWraps are not designed to be submerged in water

Protect your device from the elements.
